Overview

TP-Link Deco X60 WiFi 6 AX3000 Whole-Home Mesh WiFi System, 2-Pack

Game-Changer: WiFi 6 Mesh

Armed with WiFi 6 technology, Deco whole home mesh WiFi is designed to deliver a huge boost in coverage, speed, and total capacity. Get on the latest mesh WiFi to enjoy the future network that loads faster and connects more.△

Broader Coverage   More Connections   Faster WiFi Speed

1-PACK
Cover up to 3,000 sq. ft.[†]

2-PACK
## Cover up to 5,800 sq. ft.[†]

With clearer and stronger signals enhanced by BSS Color and Beamforming, Deco X60 boosts broader whole home WiFi with great performance. Wireless connections and optional Ethernet backhaul work together to link Deco units, providing even faster network speeds and truly seamless coverage. Want more coverage? Simply add another Deco.

Deco X60 builds a more efficient network with 4× the average throughput on connected devices in dense environments thanks to WiFi 6 technology.

Seamless Roaming with One WiFi Name

TP-Link Mesh means Deco units work together to form one unified network. Your phone or tablet automatically connects to the fastest Deco as you move through your home, creating a truly seamless WiFi experience[‡].

6 Streams:
Greater Experience, Less Lag

With six simultaneous data streams, there's more than enough bandwidth for connected devices. This means to enjoy more responsive gaming or 8K streaming with flawless video and clear audio even when multiple devices transmitting data at the same time.

Robust Parental Controls
Block inappropriate content and restrict time spent online

Built-In Antivirus
Protect all connected devices in your home from online threats

Quality of Service
Prioritize devices and applications for faster performance when needed

Setup Just Got a Lot Easier

Unbox Deco, install the app and then simply follow the on-screen directions. Deco app will take care of the rest, getting your network up and running in minutes.

1. Connect Deco to your cable modem and power on both devices

2. Download and launch the Deco app; just follow the in-app directions to finish the setup steps

3. Simply power on the next Deco; it will automatically join the network

WiFi Made Easy

Easy Management

Manage your WiFi at home or away on the Deco app, including seeing all connected devices, prioritizing your own, setting up a guest network, and more.

Voice Control

Pair with Alexa to control Deco X60 with simple voice commands. Enjoy the convenient life.
Compatible with
amazon alexa

All Decos Work Together

Deco X60 is compatible with every other Deco model to form a mesh network. Expand mesh WiFi coverage anytime by simply adding more Decos.

Decorate Your Home

The pure white design, simple but all-embracing, evokes a wintery mood or a bright summer day. Deco X60 with a delicate body case makes it perfect to blend into various home decorations.
